

We Need Your Help!

As part of the requirements for the recently passed ordinance for the city of Bellingham regarding temporary encampments, Winter Haven must be staffed 24 hours a day.

1. We need volunteers who are willing to do a **2 hour shift at least once a week**. This includes checking in and checking out residents and visitors at Winter Haven.
2. We need donations of food and supplies. What is needed will always be posted on our social media pages as needs arise.
3. We need businesses that would be willing to have a donation bin for clothing or donation jar for money to help run the camp.
4. We need case workers and organizations to help residents find housing and get them the help and services they need.

Winter Haven is a temporary safe camping site for the local homeless community located in the parking lot of Bellingham City Hall.

The project will begin around December 2018/January 2019 and will last until March/April of 2019.

The site will consist of 20 tents that will be either single or double occupancy. **Winter Haven will be a drug and alcohol-free camp.**

The purpose of Winter Haven is to provide a safe camping spot for homeless individuals with the goal of getting them the help and support they need.

Jim never gave up on that dream.
Jim Peterson and Doug Gustafson
started Homes**NOW!** to finally
implement that dream.

**IT'S NOT
ROCKET SCIENCE!**

1. Winter Haven will be DRUG AND ALCOHOL FREE. This is done to create a stable and safe environment for residents to recover and get out of homelessness.

3. HomesNOW also has a code of conduct for all residents and visitors, ensuring that there are standards and rules in place to protect the residents as well as alleviate community concerns. Our full handbook is at:
